

A Food Prepared Especially FOR Dairy Cows and Calves.

The United Breeders Dairy Food contains the elements needed for promoting a healthy digestion of grain and hastening the assimilation of food to such an extent that a large quantity of grain, which is lost through fermentation, is saved by this process. As a tonic for purifying the blood, this Food is marvelously effective.

Milch Cows

During the months when cows are stabled one measureful for each cow morning and night, to be fed with grain, or sprinkled over chopped vegetables or fodder.

For Garget or Milk Fever feed double the regular ration until recovery. This rule applies to many other diseases.

Where Cows Fail to Clean feed half a pound of Dairy Food in hot bran mash, repeating this two or three times where the first half pound fails to relieve. Then feed regular dose for sixty days and it will put a cow in prime condition.

Feeding United Breeders Dairy Food regularly keeps cows in a healthy condition and makes them produce milk up to their capacity.

The United Breeders Dairy Food is unequalled as a preventive of abortion.

Calves

When calves are three days old commence feeding a half measureful once a day in skim milk. This will hasten the rapid growth and early development of the calf, and is the surest preventive of scours.

Buckhead Brevities.

It has been quite a time since I knocked at the door of your sanctum, but busy housekeepers do not have much time to indulge in the pleasure of correspondence.

Well, the crops are nearly all gathered and the farmers are cheerful over the good price of the fleecy staple. There will be many a comfort added to the home as well as debts paid. Truly we can all enter into the spirit of thanksgiving, for God has indeed blessed the labor of the farmer with success, for which I trust we are all grateful.

I suppose the sowing of small grain will be the next thing in order. I hope your advice in the matter will be taken, as the wheat and oat crop are certainly a help to the farmers.

I suppose you have heard of the excellent meeting at Salem church a few days ago by Rev. A. G. McLees. He certainly was a very earnest worker in our Master's cause, and won a goodly number to the better way, about twenty-six uniting with the church.

Mr. and Mrs. A. Smythe, who has been spending several months with Mr. and Mrs. J. C. Feaster, left yesterday for Columbia, thence to Rock Hill to spend the winter with the former's sister. Their friends hated to see them leave, for they will be much missed socially and in the church and Sunday school, where Mr. Smythe so kindly led the singing.

The friends of Mr. W. H. James were very pleasantly surprised by a visit from him. He has been making his home in Mississippi for the last three years. He will return in a few days.

The friends of that noble woman, Mrs. Catherine Ladd, wish to erect a monument to her memory. Miss Florence Wilks has the matter in charge and will receive contributions for that purpose. It is especially appropriate for the old Confederates and their descendants to attend to this, for the South and its defenders was a decided trait in her character.

Miss Wilks will be at Mrs. Brockington's in your town on the 30th inst. and will be pleased to receive aid from all who wish to aid her. The address--for those she cannot reach in person--is Blair, S. C.

IMPORTER. P. S.--Continue to fight for prohibition. What a glorious Christmas present would it be to the mothers, wives and sisters, if the voters of Fairfield would vote on the dispensary.

Furious Fighting.

"For seven years," writes Geo. W. Hoffman, of Harper, Wash., "I had a bitter battle with chronic stomach and liver trouble, but at last I won, and cured my diseases by the use of Electric Bitters. I unhesitatingly recommend them to all, and don't intend in the future to be without them in the house. They are certainly a wonderful medicine to have cured such a bad case as mine." Sold, under guarantee to do the same for you, by McMaster Co., Obeur Drug Co. and John H. McMaster & Co., druggists, at 50c. a bottle. Try them today.

Coughs, Colds and Constipation.

The Key That Unlocks the Door to Long Living.

The men of eighty-five and ninety years of age are not the robust, well-fed, but thin, spare men who live on a slender diet. Be as careful as he will, however, a man past middle age will occasionally eat too much, or of some article of food not suited to his constitution, and will need a dose of Chamberlain's Stomach and Liver Tablets to cleanse and invigorate his stomach and regulate his liver and bowels. When this is done there is no reason why the average man should not live to old age. For sale by Obeur Drug Co.

Grip Quickly Knocked Out.

"Some weeks ago during the severe winter weather, both my wife and myself contracted severe colds, which speedily developed into the worst kind of a grippe with all its miserable symptoms," says Mr. J. S. Egerton, of Maple Landing, Iowa. "Rheum and joints aching, muscles sore, head stopped up, eyes and nose running, with alternate spells of chills and fever. We began using Chamberlain's Cough Remedy, adding the same with a dose of Chamberlain's Stomach and Liver Tablets, and by its liberal use soon completely knocked out the grip." These Tablets promote a healthy action of the bowels, liver and kidneys, which is always beneficial when the system is congested by a cold or attack of the grip. For sale by Obeur Drug Co.

"SAVED MY LIFE"

--That's what a prominent druggist said of Scott's Emulsion a short time ago. As a rule we don't use or refer to testimonials in addressing the public, but the above remark and similar expressions are made so often in connection with Scott's Emulsion that they are worthy of occasional note. From infancy to old age Scott's Emulsion offers a reliable means of remedying improper and weak development, restoring lost flesh and vitality, and repairing waste. The action of Scott's Emulsion is no more of a secret than the composition of the Emulsion itself. What it does it does through nourishment--the kind of nourishment that cannot be obtained in ordinary food. No system is too weak or delicate to retain Scott's Emulsion and gather good from it.

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood. It is to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood--that is their work. Therefore, when your kidneys are weak out of order, you can understand how sickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle mailed free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

"I feel indebted to the Dr. Miles' Heart Cure for my life. I desire to call the attention of others suffering as I did to this remarkable remedy for the heart. For a long time I had suffered from shortness of breath at any little exertion, palpitation of the heart, and at times terrible pain in the region of the heart, so serious that I feared that I would some time drop dead upon the street. One day I read one of your circulars, and immediately went to my druggist and purchased two bottles of the Heart Cure, and took it according to directions, with the result that I am entirely cured. Since then I never miss an opportunity to recommend this remedy to my friends who have heart trouble in fact I am traveling government, for I am daily known in the hospital."
